

'HOTEL' DOUBLE TOILET ROLL HOLDER

RBA1530-402 'Hotel' Double Toilet Roll Holder

Materials & Features

Body & Support Arms: Commercial grade chrome-plated copper alloy

Fixing Plate Cap: Chrome-plated ABS

Installation

Ensure wall construction is suitable to support the unit. Remove fixing plate cap. Secure unit to wall using fixings and raw plugs supplied by others. Mount plumb, at the correct height and in compliance with local building authorities. Replace fixing plate cap.

Operation

Toilet Roll holder is designed to hold two standard-core toilet tissue rolls up to 133mm diameter (1800 sheets).
