

## Consumables Hand Sanitizer

S-1542

### 5L Hand Sanitiser 24HR Protection, Antibacterial Skin Protectant –

#### **Non-Alcohol Meets or exceeds EN 1276**

- Kills 99.99% of bacteria
- Up to 24 hours of continuous protection
- Contains no alcohol, is non-flammable and is ideal for use on children and near food, plants and pets
- Unlike traditional alcohol-based hand sanitisers that only provide short term protection, Provides an invisible microscopic layer of protection on your skin which continually destroys bacteria for up to 24 hours
- Once applied, stays active, even after normal hand washing
- Non-alcohol formulation will not dry, crack or damage your hands
- Dermatologically tested, non-mutagenic, non-allergenic and contains no colourants or dyes
- Made in Australia
